

*“Share with the Lord’s people who are in need. Practice hospitality.” Romans 12:13*

Welcome! Thank you for supporting this important cause.

Together, with the Rainforest Alliance and University of Minnesota, we developed the Rainforest to Rainforest program to offer stunning, handmade wreaths, swags and garlands with one goal – to support the livelihoods of the communities living in the Maya Biosphere Reserve so they can protect the vital resource in which God created as their home.

Each purchase made through the Rainforest to Rainforest program contributes to a community development fund. This fund provides health care and education and creates a sustainable forest economy for the rural people living in this valuable, and vulnerable, rainforest.

This program is simple. We provide the sales materials, an easy website to order from, and shipping is included. Place orders online between August 1 – October 31. Shipping of greens begins November 19.

Depending on shipping costs, up to 20% of the proceeds are donated directly to the Maya Biosphere Reserve Development Fund.

Our Christmas greens are grown, wild and natural, at the base of Mount St Helens – a temperate rainforest – and all of our products are produced by hand. The beauty and fragrance are sure to set the stage for a joyful Christmas season while sharing with the Lord’s people in these communities.

Visit the Rainforest to Rainforest website to watch our video and view the products:  
<http://www.rainforesttorainforest.com>

Enclosed, please find additional information about these Christmas products and sales materials to make participation easy for you and your congregation.

Contact us at [RainforestSales@cfgreens.com](mailto:RainforestSales@cfgreens.com) if you have any questions.

Merry Christmas!

Rainforest to Rainforest
