## PART 2: PRACTITIONER TO FILL OUT

## Herbal Formula

Add the scores for each section in Part 1 and enter the total into the 'score' column below.

- Rank each section based on the score in descending order (i.e. 1 is the top score, 2 is the second highest, etc).
- Rank 1 indicates the most relevant prescription for your patient.
- If the top scores are close, check the questions relevant to the section and ascertain which is most relevant to your patient.
