

# SAFETY DATA SHEET

## **Oil Eater® Cleaner/Degreaser**

Applicable Items: AOD0435430, AOD1G35437, AOD5G35438, AOD3035444, AOD5535389, AOD27535001 In compliance with International Regulations: GHS -SDS Effective Date: November 2015

| SECTION 1 – CHEMICAL PRODUCT & COMPANY IDENTIFICATION |                                  |   |  |  |
|---|----------------------------------|---|--|--|
| GHS Product Identifier:                               | Oil Eater® Degreaser/Cleaner     | Other Identification means: Aqueous Surfactant Solution |  |  |
| Uses:   | General Purpose Cleaning         |   |  |  |
| Manufacturer Name:                                    | Kafko International. Ltd.        |   |  |  |
| Address:  | 3555 W Howard St. Skokie, IL. 60 | 0076-4012   |  |  |
| Phone:  | (847) 763-0333                   | Fax: (847) 763-0334                                     |  |  |
| Emergency Contact:                                    | Chemtrec (800) 424-9300          |   |  |  |
| SECTION 2 - HAZARDS IDENTIFICATION                    |                                  |   |  |  |

### **GHS Classification:**

|   | Health  | Environmental                     | Physical      |
|---|---|-----------------------------------|---------------|
| Acute Toxicity –                                      | Not considered an oral, dermal, or inhalation toxin   | Non-toxic to Aquatic<br>Organisms | Non Flammable |
| Eye Corrosion -                                       | Mild Irritant Category 2B   |                                   |               |
| Skin Corrosion –                                      | Mild Skin Irritant  |                                   |               |
| Skin Sensitization – Not considered a skin sensitizer |   |                                   |               |
| Mutagenicity –  | Not considered a mutagenic compound   |                                   |               |
| Carcinogenicity –                                     | Not considered a carcinogen   |                                   |               |
| Target Organ Toxi                                     | city – Single Exposure: Not considered a TOS toxin<br>- Repeated Exposure: Not considered a TOS toxin |                                   |               |

Labelling:

WARNING: Eye Irritant - Mild Skin Irritant

Precautionary Statement:

Avoid contact with eyes. If contact occurs flush with water. Avoid prolonged contact with skin. Rinse skin with water after contact. If irritation persists, seek medical attention.

|  |           | ę   | SECTION 3      | 3 - INGREDIENTS   |
|--|-----------|---|----------------|---|
| MATERIAL                                 |           | CAS   | #              | % by WT.  |
| Sodium metasilicate - pentahydrate 6834- |           | -92-0   | < 5%           |   |
| 2 Butoxyethanol                          | •         | 111-  | 76-2           | < 5 %   |
| Linear Alcohol Eth                       | noxylate  | 6843  | 89-46-3        | < 5 %   |
|  |           | SECTION   | l 4 – FIRST    | AID MEASURES  |
| Skin Contact:                            |           | Remove contaminated of                                    | lothing. Rir   | nse skin with warm water for 15 minutes. If irritation occurs         |
|  |           | seek medical attention.                                   |                |   |
| Eye Contact:                             |           | Flush with water for 15 n                                 | ninutes. If ir | rritation persists seek medical attention.                            |
| Ingestion:                               |           | Drink large quantities of                                 | water. Call    | physician immediately.  |
| Inhalation:                              |           | Remove to fresh air imm                                   | nediately. If  | f irritation persists, contact physician                              |
|  |           | SECTION 5   | - FIRE FIG     | HTING MEASURES  |

|                                | SECTION 9 - PHYSICAL DATA  |
| Boiling point:                 | 200° F   |
| Voc content:                   | .42 LBS/GAL  |
| Vapor pressure:                | 4.0 mm Hg @ 77 F (ASTM D-2879)   |
| Solubility in water:           | COMPLETE   |
| Appearance and odor:           | Clear Solution With A Characteristic Odor  |
| Specific gravity:              | 1.038 (ASTM 112H @ 20°C)   |
| Evaporation rate:              | 1.2 (water=1.0)  |
| pH:                            | 12.4   |
|                                | SECTION 10 – STABILITY & REACTIVITY DATA   |
| Conditions To Avoid:           | Extreme Heat   |
| Stability:                     | Stable   |
| Incompatibility:               | Acids, Strong Oxidizers  |
| Hazardous Polymerization:      | Will Not Occur   |
| Corrosivity:                   | Non-corrosive  |
|                                | SECTION 11 - TOXICOLOGICAL DATA  |

Acute Effects: Eye Contact: may cause redness & irritation Skin Contact: may cause redness & irritation

| Acute Toxicity Values             |   |                        |
|-----------------------------------|---|------------------------|
| Test                              | Results   | Basis                  |
| Oral Toxicity (Rats)              | Greater than 5000mg/kg                            | FHSA/CPSC              |
| Dermal Toxicity (Rabbits)         | Greater than 2000mg/kg                            | OECD 402               |
| Inhalation Toxicity, Vapor (Rats) | Greater than 2.3mg/L @ 4 hours<br>ATE > 20.0 mg/L | OECD 403<br>Additivity |
| Eye Irritation (Rabbits)          | Eye Irritant Category 2B                          | FHSA/CPSC              |
| Dermal Irritation (Rabbits)       | Mild Skin Irritant                                | OECD 404               |

This product is not considered a carcinogen by OSHA, NTP, or IARC.

#### SECTION 12 - Ecological Information

Persistence and degradability: This product is expected to be inherently biodegradable. Bio-accumulative potential: There is no evidence to suggest bioaccumulation will occur. Mobility: Accidental spillage may lead to penetration in the soil and groundwater. However, there is no evidence that this would cause adverse ecological effects.

| Test           | Results  | Comments          |
|----------------|--|-------------------|
| Acute Toxicity | Non-toxic to Aquatic Organisms<br>Fathead Minnow (Pimephales promelas) LC50 ><br>200mg/L at 96 hours | Product Test Data |

|                 | SECTION 13 – DISPOSAL CONSIDERATIONS                              |  |
|-----------------|---|--|
| Waste Disposal: | Dispose of in accordance with local, state & federal regulations. |  |
| -               | Rinse residue to avoid slippery conditions.                       |  |
|                 | SECTION 14 – TRANSPORT INFORMATION                                |  |

## Not regulated

#### **SECTION 15 – REGULATORY INFORMATION**

All components used in this compound appear on the TSCA Inventory Federal/National: 2 Butoxyethanol - This chemical is subject to S.A.R.A. Title III section 313 part 372 reporting. The hazard communication standard requires that mixtures such as this product be assumed to present the same health hazards, as do the components that constitute at least 1% of the mixture. OSHA has, however, noted that the health hazards of the individual components may be reduced or altered by including them in a mixture.

Food Facility Categories: Per federal guidelines as detailed in FDA 21 CFR:

(A1) General Purpose Cleaners (A4) Floor & Wall Degreasers (A8) Degreasers/Carbon Removers

### SECTION 16 – OTHER INFORMATION

Performance Certifications: Aircraft: Passed Boeing D6-17487 Rev P Exterior and General Cleaners and Liquid Waxes, Polishes and Polishing Compounds when diluted with 5 parts water.

For further questions regarding the safe use of this product consult our web page <u>www.oileater.com</u>. The Information Herein Is Based On Data Considered To Be Accurate As Of The Date Of The Presentation Of This Safety Data Sheet. No Warranty Or Representation, Expressed Or Implied, Is Made As To The Accuracy Or Completeness Of The Foregoing Data And Safety Information. The User Assumes All Liability For Any Damage Or Injury Resulting From Abnormal Uses, For Any Failure To Adhere To Recommended Practices, Or For Any Hazards Inherent In The Nature Of The Product.
