

COLLO Sconce

The Collo Sconce - Its half-cylindrical form directs light in a unique bidirectional manner, allowing for a multifaceted interaction with its surroundings. Unadorned yet profound in its construction.

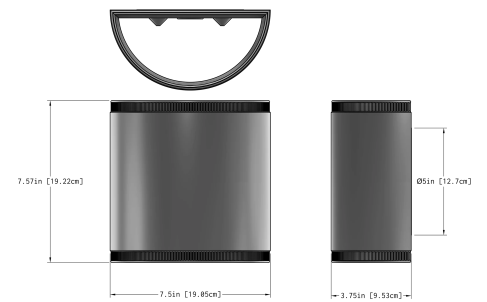

Upon illumination, the sconce's double-walled structure reveals an intricate paneled ribbing, adding depth and complexity to its otherwise simple form. The top and bottom of the piece are delicately capped with fine ribbing and an understated bulbous piping, reminiscent of refined sewing techniques.

DETAILS

MATERIALS: Engineered Polymer, Steel
APPLICATION: Wall Mount
TYPE: Hardwired
SOCKET: Type G8, Max 7W
LIGHT SOURCE: G8 4.5W, 90+ CRI, 410 lm
CERTIFICATIONS: UL and cUL Listed

DIMENSIONS

DIMENSIONS: L 3.75" x W 7.5" x H 7.5"
WEIGHT: 2.87 lbs

VOLTAGE:

- 120V (North America)
- 220V-240V (International)
