

LOIR Sconce

In the Loir Sconce, one observes the employment of advanced manufacturing techniques, a harmonious integration of architectural lighting principles with the purity and simplicity of form. The piece reflects an understanding of spatial aesthetics, where function meets artistry.

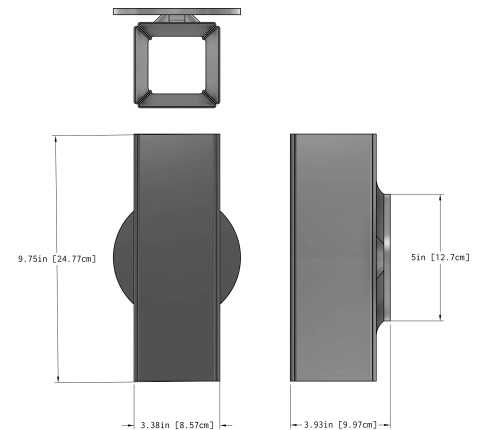

The compact and functional design of Loir is further accentuated by its unobtrusive presence, enabling it to complement various interiors with ease. The sconce's completion with a round backplate offers two distinct finishes: Brushed Bronze, invoking a sense of antiquity, and Satin Nickel, imparting a touch of chic elegance. Together, these details underscore the Loir Sconce's versatility and its ability to subtly enhance the ambiance of any space.

DETAILS

MATERIALS: Engineered Polymer, Steel
APPLICATION: Wall Mount
TYPE: Hardwired
SOCKET: Type G8, Max 7W
LIGHT SOURCE: G8 4.5W, 90+ CRI, 410 lm
CERTIFICATIONS: UL and cUL Listed

DIMENSIONS

DIMENSIONS: L 3.93" x W 3.38" x H 9.75"
WEIGHT: 1.57 lbs

FINISH:

- Brushed Bronze
- Satin Nickel

VOLTAGE:

- 120V (North America)
- 220V-240V (International)
