

## Main Squeeze Planter Cover

*My goal in designing this simple to crochet planter cover was first and foremost, to jump start your creativity and show you how this unique yarn can be used in non-traditional ways. This felted wool by Niroma Studio is so different than any other fiber I've ever worked with. Perfect for textiles, this sturdy fiber comes in a variety of beautiful colors – a great way to make your home decor unique in shades that will pop! Grab your crochet hook and a 12" pot and let's get started!*

### WHAT YOU WILL NEED

- US Size U (25mm) crochet hook
- 1 kg ball (appx 275 feet) Main Squeeze felted wool by Niroma Studio (Sample was made in mustard)
- 12" planter pot (12" tall, 12" opening diameter and 7" bottom diameter). [ [Standard 12" Pot](#) ]
- Scrap yarn to use as a stitch marker
- Scissors
- Felting tool [ [Clover Felting Tool](#) ]

### GAUGE – Take time to check gauge!

4in x 4in / 10cm x 10 cm

- approx. 3 stitches x 4 rows

### ABBREVIATIONS

CH Chain  
Sl st Slip Stitch  
SC Single Crochet  
PM Place marker

ST(s) Stitch(es)  
REP Repeat  
BLO Back loop only

## PATTERN NOTES

- ▶ When working with this yarn, it is important to keep the fiber taut. It's easy to let your stitches get too loose so try to remember to give a little tug on the yarn after each stitch to ensure that the tension is evenly maintained. This will ensure your stitches are even and consistent.
- ▶ This piece is worked in a continuous spiral as opposed to connecting each round. You'll keep track of the beginning and end of each spiral using a piece of scrap yarn as your stitch marker (or if you have large gauge removable stitch markers, feel free to use those)! When you reach the stitch marker, remove it and simply move it up to the next round.
- ▶ Photos are provided at the end of the pattern to show you what your work should look like at various stages of the project.
