Candace Mae

HEAVEN WITHIN: RESTORING WHOLENESS FOR BETTER LEADERSHIP

"Heaven Within, complete with two exclusive complementary workbooks, promises a transformation--in your business, mindset, and relationship with Christ.

The workplace is the largest mission field in the world--and as authentic disciples of Jesus Christ empowered by the Holy Spirit, we can be the vessel that touches the lives of others with the love of Christ, thereby changing the world with ripple effects, through our leadership.

To do so, however, we, as leaders, need to wake up to the Truth. It is time for us to break free from the binds that hold us and to uncover our Truths; to identify the limiting beliefs that we hold

that shape our reactions and beliefs; to discover our true identity and higher purpose.

Covering a whole range of themes with the potential to impact your employees and thus your business--from systemic prejudice and intergenerational pain and abuse to our purpose and spirituality as followers of Christ--Candace Mae brings to vivid clarity the reality of a life lived without Christ, and thus the importance of your forming a close relationship with Christ's Spirit dwelling within you.

So, are you ready to grow and find your true potential? If so, may this book, alongside its exclusive, value-filled Companion Workbook and Gift Mix Workbook, begin your journey to transformation and purpose!"

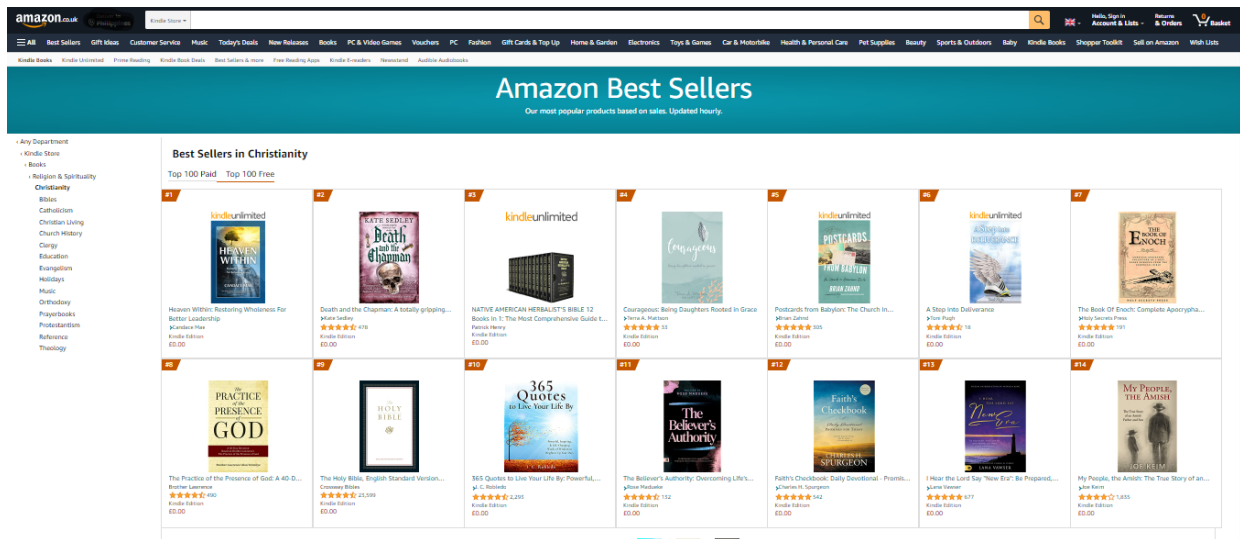

*Delving into a vast range of topics, from intergenerational trauma to abundance vs scarcity mindsets to (perhaps most importantly) how to truly live in and through Christ, *Heaven Within* is a deeply impactful ode to a life lived holistically through Christ's love.*

Results Overview

At the conclusion of this Best Seller Marketing campaign, Candace achieved International Best Seller Status across 19 categories in the USA, UK, Australia, France, and Germany (by Onyx Publishing's standards [achieving at least Top 10]), including 8 #1 ranks across the UK, Australia, France, and Germany, as well as International Best Seller status across an additional 7 categories in the USA, UK, India, and Germany (by Amazon's Top 100 standard).
