

Your Perfect Fit

What is the best size for me?

We have several flattering fits and want you to feel gorgeous in every piece! All sizes in our shop are US sizes. We aren't all tailors, so here are some tips on how to measure yourself for the best fit! You will need a tape measure, and maybe your bff to help!

Measure yourself!

Every body is gorgeous, lets find a gorgeous fit. To ensure a comfortable fit, keep one finger between the measuring tape and your body.

Bust: Keeping the tape level, measure under your arms at the fullest part of your bust.

Waist: Keeping the tape comfortably loose, measure around your natural waistline at the narrowest part of the body.

Hips: Measure around the fullest part of your hips.

Drop Waist: Measure 1 1/2 inches below your natural waistline.

Hips: Stand with your feet together and measure around the fullest part of your hips.
