Preface xi

CHAPTER ONE

Overview

Introduction and Objectives	1
Purpose of Land Acquisition	1
Objectives	2
History of Eminent Domain	2
Overview of California Eminent Domain Law	3
Just Compensation	3
Total Taking and Just Compensation	4
Partial Taking and Just Compensation	4
Additional Compensation Not Required by the Constitution: Loss of Goodwill, Moving Costs, and Litigation Expenses	4
Special Valuation Rules of Evidence	5
Summary	5

CHAPTER TWO

Early Consideration and Early intervention

Introduction 7	
Attorney Involvement from Project Conception: Early Considerations	7
Review for Consistency with General Plan	8
Review for CEQA Compliance	8

Advise Staff to Avoid Irrevocable Commitment to an Acquisition Prior to Hearing on the Adoption of the Resolution of Necessity	8
Counsel Should Be Certain That the Public Entity Has the Legal Right to Take What Staff Wants to Acquire	8
Limits on the right to take • Permitted substitute acquisitions • Permitted acquisitions for environmental mitigation	
Advise Staff Not to Make Admission of Value in Cost Studies and Budget Reports	1
Counsel Should Advise Staff about Special Acquisition Procedures for State or Federally Funded Projects	12
For Tentative Subdivision Maps or Development Agreements Requiring the Owner to Pay for All Necessary Land Acquisition Costs as Well as Construction Costs for Off-Site Improvements. Public Entity Counsel Should Insist on a Written Agreement That Secures All Land Acquisition Costs Should Acquisition by Eminent Domain Be Required	12
Do Not Negotiate with the Owner Until After the Initial Appraisal and the Offer Have Been Made	14
Public Entity Counsel Should Actively Participate in the Choice of the Pre-filing Appraiser/Consultant	14

CHAPTER THREE

Assembling the Required Documents for the Resolution of Necessity

Introduction 21

What Public Entity Counsel Will Need . . 21

 Project Plans and Environmental Documents 21

 Visit the site • Scope of legal review of preliminary plans

Maps of the Parcel to Be Acquired 23

 Maps for the complain • Maps for the resolution of necessity • Maps for the appraiser

Legal Description 23

 Labeling multiple parcels and easement parcels • Area calculation included in parcel description • Format of description and maps • Technical language of description • Describing property in which public entity may already have an interest • Description of entire ownership for a partial taking

Preliminary Report of Title 31

 When and what to order from title company

Photographs, Video, and Aerial Photography 32

CHAPTER FOUR

The Initial Appraisal

Introduction 37

Initial Appraisal 37

Selection and Retention of Appraiser 37

 Lead time for retention of appraiser and delivery of initial appraisal

Consideration in Selection of Appraiser . . . 38

Role of Public Entity Counsel During Preparation of Appraisal 40

 Notice of decision to appraise • Notice of land acquisition procedures • What public entity counsel should deliver to appraiser

Format of Appraisal and Presubmission Conferences 44

 Appraisal report format options • Presubmission conferences

Optional Planning Director’s Report 46

CHAPTER FIVE

Acquiring Contaminated Property

Introduction 51

Hazardous Waste Inspection 51

Decision to Inspect the Site 51

Voluntary Permission to Inspect the Site . . 51

 Written request to enter property to inspect for contamination • Timing of request—the impact of a premature request to enter and inspect on a claim for unreasonable delay damages

Court Order to Inspect the Site 52

Scope of Hazardous Waste Investigation . . 53

Selection of Hazardous Waste Consultant . . 55

Case Law Treatment of the Valuation of Contaminated Property 55

Market-Based Valuation of Contaminated Property 56

Selection of Appraiser 57

Instructions to Contaminated Property Appraiser 58

Decision to Instruct Appraise “As If Clean” vs. “As If Contaminated” 58

Instructing an Appraiser Unfamiliar with Valuing Contaminated Property 58

High Cost of an Appraisal of Contaminated Property 58

CHAPTER SIX

CEQA and the Power of Eminent Domain

Introduction 63

CEQA Compliance and the Right to Take . 63

When a Challenge to a Resolution of Necessity May Be Barred Based on CEQA Noncompliance 64

 CEQA 30-day Statute of Limitations 64

 CEQA 180-day Statute of Limitations . . . 64

When CEQA Statute of Limitations May Not Bar a Challenge 64

Commitment to a Specific Acquisition . . 65

CEQA Eminent Domain Review 66

 Project Changes 66

 Does the Project Described in the EIR or Negative Declaration Include the Project Requiring the Acquisition? 66

 CEQA Statute of Limitations 67

Coping with Changes in Project Since the Original EIR 67

 Supplemental EIR or Addendum? 67

 Project changes significantly affecting the environment not considered in initial EIR • Project changes not significantly affecting the environment, but not considered in initial EIR

 Adopting an Addendum That Complies with CEQA 68

CHAPTER SEVEN

Machinery & Equipment and Issues of Goodwill Valuation & Relocation Assistance

Introduction 73

Machinery, Equipment, and Fixtures . . 73

Both the Tenant and the Owner Should Be Advised of their possible Right of

Compensation 74

 Law regarding whether a particular item is compensable or non-compensable

Goodwill 76

 Compensation Requirements 76

 Goodwill and Special Rules of Notice . . . 76

 Property owners who also conduct a business on the subject property • Tenants who conduct a business on subject property

 Early Appraisal of Goodwill 77

 Resolving the dilemma posted by HCD regulations • Retention of goodwill appraiser to view and inspect the going business

 Selection of Goodwill Appraiser 79

Relocation Assistance 79

CHAPTER EIGHT

Preparing and Making the Government Code Section 7267.2(a) Offer

Introduction 83

When to Make the Offer 83

Postponing Offer Until after the Resolution of Necessity Is Adopted . . . 84

Who Is Given the Offer 84

Contents of Offer 85

 Preparing Required Compliance Documents . 85

 The *appraisal summary* which provides the owner with the required written statement of the appraisal basis for the offer • The amount of the offer • Terms and conditions of offer—potential for leaseback • Terms and conditions of offer—providing for deductions • Terms and conditions of the offer—providing for the interest of a lessee • Terms and conditions of the offer—provid-

ing for a separate interest in machinery, fixtures, and equipment • Terms and conditions of the offer—when the record owner conducting a business on the property claims loss of goodwill • Terms and conditions of the offer—making the offer conditional upon approval of the governing board

Offer to Pay Costs of Appraisal 90
 • When must the public entity pay the costs, and on what conditions?

Allowing Reasonable Time for Owner to Respond 90

CHAPTER NINE

Preparing and Adopting the Resolution of Necessity

Introduction 97

Resolution of Necessity Contents 97

 Authorizing Statute 97

 Property Description 98

 Statement of Public Use 99

 Required Findings 101

Proposing a Resolution of Necessity to the Governing Board: Preliminary Considerations 101

 Be Prepared to File the Complaint Within Six Months After Adopting Resolution of Necessity 101

 Check That Initial Appraisal Is Complete and Offer Has Been Made to the Owner of Record 101

Notice Requirement for Hearing on Adopting the Resolution of Necessity . . 101

 Notice of the Hearing from Whom? 101

 Notice of the Hearing to Whom? 102

 Prior Notice to Owner; Length of Notice 102

 Contents of Required Notice of Intent to Adopt Resolution of Necessity 103

Method of Delivery of Required Notice 105

Conduct of the Hearing Required for Adoption of Resolution of Necessity 105

Conduct a Hearing That Is Not a Sham: The *Norm's Slauson Case* 105

Adequate Hearing and Administrative Record 107

Supporting the required finding “that the project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury” • Supporting board findings with substantial evidence that: (1) the public entity has complied with CEQA; (2) a sufficient Gov. Code § 7267.2(a) offer was made; and (3) the acquiring agency has the statutory power to condemn

Transcribe the Hearing 108

Allow Broadest Hearing from the Owner 108

What to Do When Nobody Requests to Appear 108

Two-Thirds Vote Requirement 109

CHAPTER TEN

Preparing the Complaint and Motion of Order of Prejudgment Possession

Introduction 115

What Counsel Needs 115

Preparing Eminent Domain Pleadings . 117

 Preparing the Complaint 117

 Required contents • Names of party-defendants: determining whom to name and serve • Description of property • Pleading that public entity may have a pre-existing interest • Improvements pertaining to the realty: special needs • Pleading right to take • Required maps

 Preparing and Serving the Summons . . 125

 Required modification of Judicial Council form when service is by publication • Method of service

Making a Deposit of Probable Just Compensation 126
 Procedure • Notice • Withdrawal • Determination and redetermination of amount deposited • Use at trial

Use of the Deposit to Fix the Date of Value . 127

Depositing Probable Just Compensation as Part of Obtaining an Order of Possession . . 128
 Necessary pleadings • Service of the motion • Time for filing and service of notice of deposits • Inclusion of an appointment order to the tax collection the order of possession • Effective date of possession • Service or the order of possession • Enforcement of the order of possession • Government Code § 7267.3 notice of date by which move is required

Notice of Pendency of Action (*lis pendens*) . 132
Lis pendens must be recorded and served • Eminent domain *lis pendens* procedure

Request for Apportionment 133

Conclusion 134

Appendices

A Checklist for Preparing an Acquisition by Eminent Domain and for Obtaining Physical Possession of Property . . . 139

B Summary of Legal Instructions to the Appraiser 141

C Agreement Form for Developer-Funded Off-Site Acquisition Pursuant to Government Code Section 66462.5 153

D Appraiser’s Contract 158

E Notice of Decision to Appraise; Notice of Land Acquisition Procedures; Letter to Owner of a Business Operated on Subject Property 162

F Special Hazardous Waste Appraisal Instructions 165

G Written Request to Enter Property to Inspect for Contamination 166
