Preface \v

1 Introduction 1

It’s Getting Harder to Finance Public Works 1
Forces and Results 2
Government’s Roles 2
The Fiscalization of Land Use 3
Disengagement of the Federal and State Governments 3
Limitations on the Actions of Local Government 4
Proposition 13 • Proposition 4 • Proposition 218
The Search for a Politically Acceptable Strategy 5
Earmarking Revenue • State Bonds Find Favor
The Results of These Forces 6
Competition for Revenue • Continued Demand • Summary

Local Funding Techniques 8
General Obligation Bonds 8
Revenue Bonds 8
Assessment Bonds 8
Redevelopment Tax Allocation Bonds 9
Mello-Roos Act Bonds 10
Exactions and Dedications 10
The Exotics 11
Certificates of Participation • Marks-Roos Act Bonds • Limited Obligation Bonds • Integrated Financing Districts • Infrastructure Financing Districts • Secured Limited Obligation Notes

Some Conclusions 12
Balancing Projects and Funding Sources 12
Balancing Demand and Supply 13
Balancing Public Opinions and Public Needs 13

2 Defining the Terms 15

Introduction 15

Exactions 15
Land Dedication and Fees in Lieu of Dedication 16
Subdivision Reservations 17
Project Design and Improvement 17
Fees 18
Fees for Benefits and Services • Regulatory Fees • Development Fees • In-lieu fees • Impact fees • Statutory basis • Methodology • Procedures • Scope of facilities funded • Exemptions • San Marcos legislation • Linkage fees • Mitigation fees

3 Constitutional Authority for and Limitations on Exactions 47

Constitutional Authority for Exactions 47
The California Constitution Delegates the Police Power to Cities and Counties 48
The Police Power and Land Use Regulation 48
The Police Power and Exactions 49

Constitutional Limitations on Exactions 50
Limitations: Police Power Actions Must Be Reasonably Related to the Public Welfare 50
Limitation: Preemption by State Law 50
Limitation: Territorial Limits 51
Limitation: Conflicts with the U.S. Constitution 52

Challenges Based on the "Takings Clause" 52
The Takings Clause • Tests for When a Taking Has Occurred • The Takings Clause and Exactions

The “Essential Nexus” Requirement 54
The “Rough Proportionality” Requirement 55
Individualized Determinations: Surfside Colony, Ltd. v. California Coastal Commission • Misplaced Reliance on the General Plan: Roberts v. City of Visalia

Nollan/Dolan “Heightened Scrutiny”—When Does It Apply? 57
Does Nollan/Dolan Heightened Scrutiny Apply to Development Fees? 57

\v

Contents

Taxes 27
Property Taxes 28
Parcel Taxes 28
Excise Taxes and Business License Taxes 28
Special Taxes and Special Districts 31
Assessments 38
Comparing Impact Fees, Taxes, and Assessments 41
Impact Fees Compared to Taxes 41
Impact Fees Compared to Assessments 42
Taxes Compared to Assessments 42
Property Related Fees and Charges 44
6 School Facilities 119

The Police Power Exactions in Conjunction with Legislative Approvals 120

Stirling Fees 120
The Continuing but Limited Role for Murieta, Hart, and Mira 120
Stirling Analysis / Post-SB 50 121
Triggering Events for Increasing Fee Level 122
Pre-SB 50 Analysis 122

The Stirling Legislation Examined 123
Purpose 124
Scope of the Act 124
Applicable to legislative and adjudicative acts • CEQA and mitigation in general • Exceptions • Commercial, Industrial, and Residential Construction

General Procedures 128
Collecting the fee • The resolution • Notification to cities and counties • Effective date

The Nexus 129
AB 1600 • Section 65995.6 • Commercial and industrial development • Administrative appeals • Special findings for agricultural uses • Statutory school facilities needs analysis • Fee Calculations • Residential • Commercial, industrial, and senior citizen housing • Exceptions to Fee Limitations • Eligibility • Increased fee calculation • Limitation on fee increases • Eligibility fee calculations • Exemptions

Manufactured and Mobile Homes 136
Initial installation on new pads • Exemptions • Credit for previously paid fees • Levies by Non-Unified Districts • Refunds

School Facilities Act 137
Findings 137
Notice of Findings 137
Schedule of Fees 137
Concurrence of Local Government 137
Agreements Between Districts with Same Attendance Area 138
Authorized Facilities 138
Residential Project Approvals by Local Agencies 138
Ordinance Provisions 138
Additional Limitations 138
Relationship to Other School Funding Statutes 139
Legal Challenges 139
## Contents

### 7 Challenging Exactions—
#### Protests, Legal Actions, and Audits 141

- Judicial Review .................................................. 141
- Legislative Acts .................................................. 141
- Adjudicatory Acts ................................................ 143
- Multi-Entitlement Approvals .................................... 144
- The Blurring of Distinctions—Do They Matter Anymore? . 145
- Judicial Review—Burden of Proof .............................. 145

- Uniform Protest Provisions for Fees, Taxes, Assessments, Deductions, Reservations, or Other Exactions ............ 146
  - Applicability ...................................................... 147
  - Challenging Development Fees under Sections 66620 and 66621 ......................................................... 148
  - Relationship of Parties after Initiation of Litigation ..... 150
  - Refund or Return of Payment .................................... 150
  - Challenges to Fees Under Section 6622 ........................ 151
  - Challenges to Exactions Under Other State Law Provisions .......................................................... 152
- Mediation ................................................................. 154
- Audits ................................................................. 155

- Special Subdivision
  - Map Act Procedures ........................................... 155
    - Bridges and Major Thoroughfares Fees .......................... 155
    - Groundwater Recharge Facilities Fees ......................... 156
    - Statute of Limitations ......................................... 156
- Integrating Exaction Challenges with Other Legal Theories—
  - Statute of Limitations ........................................... 157
  - Fees and Exactions ............................................... 157
  - CEQA ..................................................................... 157
- Takings Claims; The Need for Ripeness ............................ 158
- Attorney Fee Awards ................................................ 160

### 8 Meeting Local Needs Through Exactions and Other Techniques 163

- Housing Trust Funds .................................................. 163
  - City of Sacramento .............................................. 163
- Local Funding for Schools
  - Beyond Fees ........................................................ 164
  - Equestrian Trails .................................................... 165
- Art in Public Places .................................................. 165
- Innovations ............................................................. 166
- Supercharging the Repayment Schedule ............................ 166
- City of Oxnard’s Financing Plan for Street Repairs ............... 166
- County Fees within Cities ........................................... 167
  - Stanislaus County ................................................... 167
  - Yolo County ............................................................ 168
  - City of Ripon .......................................................... 168
- Open Space .................................................................. 168
  - Placer County .......................................................... 168
  - San Francisco .......................................................... 169
  - Open Space Districts ................................................ 169
- Transportation ............................................................ 170
  - Coachella Valley ..................................................... 170
- Habitat Conservation Plan ............................................ 170
  - Mitigation Fees ....................................................... 170
  - Tracy ...................................................................... 170
  - Natomas Basin ........................................................ 171
  - Placer County .......................................................... 171

### 9 Funding Neighborhood-Specific Infrastructure and Amenities 173

- Examples of Special Taxes .......................................... 174
  - Mello-Roos Special Taxes .......................................... 174
  - Police/Fire Special Taxes .......................................... 175
  - Public Library Special Tax .......................................... 176
  - Retail Transactions and Use Tax .................................. 176
  - General Authorization for Special Taxes ......................... 177
- Special Benefit Assessments ........................................... 177
  - Proposition 218 Considerations .................................. 177
  - Procedures for Adoption of Special Assessments Under Proposition 218 .................................................. 178
  - Substantive Requirements for Special Assessments Under Proposition 218 ............................................. 179
  - Repeal of Assessment by Initiative ............................... 181
## Contents

| Impact of Proposition 218 on Maintenance Assessments | 181 |
| Utilities Rates After Proposition 218 | 181 |
