

Ronald E. Bass
Albert I. Herson
Kenneth M. Bogdan

The NEPA BOOK

A step-by-step guide on how to comply with the
National Environmental Policy Act

2001 (Second) Edition

The

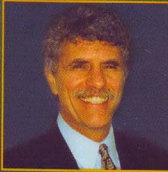

NEPA BOOK

A step-by-step guide on how to comply with the National Environmental Policy Act

About the Authors

The authors are employed by Jones & Stokes, a consulting firm providing services in environmental planning and natural resources management with offices throughout the western United States. NEPA compliance has been an important component of Jones & Stokes' business since its founding in 1970. Messrs. Bass, Herson, and Bogdan also are the authors of the award-winning *CEQA Deskbook: A Step-by-Step Guide on How to Comply with the California Environmental Quality Act*. In addition, Messrs. Bogdan and Herson are co-authors of the nationally recognized *Wetland Regulations: A Complete Guide to Federal and California Programs*.

* * *

Ronald E. Bass, JD, AICP, a Planner and Environmental Counsel for Jones & Stokes, is recognized internationally as an authority on environmental impact assessment. Mr. Bass regularly teaches academic and professional courses on NEPA, CEQA, and land use planning and has written numerous books and articles about EIS and other planning topics.

Albert I. Herson, JD, FAICP, is Senior Vice President and Environmental Counsel for Jones & Stokes. Mr. Herson specializes in helping public and private businesses, agencies, and organizations comply with NEPA, CEQA, wetlands regulations, and endangered species laws. He regularly teaches workshops on environmental compliance.

Kenneth M. Bogdan, JD, is Environmental Counsel for Jones & Stokes. He specializes in compliance issues related to environmental laws and regulations, including Section 404 of the Clean Water Act, federal and state endangered species acts, NEPA, and CEQA. Mr. Bogdan regularly teaches and speaks at workshops and conferences on wetlands, endangered species, CEQA, and NEPA.

Ideal for environmental specialists, agency reviewers and decision makers, attorneys, consultants, students, and citizens who want to effectively influence environmental decisions that shape their communities.

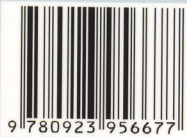

This edition includes—

- Detailed advice on how to comply with the National Environmental Policy Act
- Expanded discussions of Environmental Assessments (EAs), Findings of No Significant Impact (FONSIs), and Environmental Impact Statements (EISs)
- Flow charts and diagrams explaining the entire NEPA process
- Chapters on integrating NEPA with other environmental laws, Internet resources for NEPA compliance, the globalization of NEPA, and NEPA's effectiveness
- Sections on Environmental Justice and International Trade Agreements
- Discussions of important case law
- Recent advisory memoranda from CEQ on the implementation of NEPA

This book will help you—

- Determine if and when a particular action is subject to NEPA
- Decide whether an environmental assessment or a FONSI is appropriate
- Prepare legally-adequate environmental documents
- Write effective mitigation measures
- Understand the relationship between NEPA and other environmental laws
