

# THE ODE TO

## Internship - Frontend developer

Online gallery The Ode To launched across Europe in April 2018 by a pop-up collaboration with & Other Stories. The gallery aims to disrupt the traditional art world and bring a new way to buy art for the next generation of savvy art collectors in Europe. The Ode To presents a thoughtfully curated selection of original artworks by exceptional artists. All handmade, all one-of-a-kind, all accessibly-priced.

### Job description

As an intern at The Ode To you will help us improve and expand our platform to make it fit for the next generation of art collectors and B2B clientele. You will work closely with an ambitious and dedicated founding team and get hands on experience from the start-up scene where no day is the same. Your main focus will be to improve and develop our site's user experience and design, develop our B2B part of the site as well as improve conversion rate through developing and implementing new functionality.

### Learning areas & responsibilities

- Improve user experience by adjusting and adding code on existing Shopify platform
- Design new features, pages and web app integration
- Improve B2B part of website.
- Proactively contribute with new ideas of improvements and focus areas
- Deliver according to set timeline

### We think that you:

- Are a student that has been active with side projects before.
- Have experience from working with Shopify or other retail platforms.
- Understands the balance between design, business and frontend development.
- Have the ability to interpret overall design guidelines.
- Are very self-going and used to work in a deliverable focused environment.
- Are collaborative & contribute with positive energy & ideas.

### We Offer:

- Daily mentoring
- Individual project plan incl. supportive tools and mentoring.
- Hands-on experience of STHLM's start-up scene, SSE Business Lab.
- The possibility to directly contribute to the future of the company i.e see your work come to live.

### Information

Employee status: Student, Internship with the opportunity to continuous employment.

Start: Q1 2021

Location: The Ode To Showroom, Kungstensgatan 27, STHLM
