### Aunt Lyn's Cold & Flu Away

Proven to kill the bacteria and virus that result in - human cold, flu or canine- kennel cough. This preparatory blend when diffused in a room, will remove these germs and freshen the room, with a clean aroma. Perfect for home, office, classroom and doggie and child daycare facilities, that are breeding grounds for cold, flu and kennel cough virus.

#### Suggested Uses:

- Specifically formulated to prevent, disinfect, people, canines or rooms from cold, flu and kennel cough virus.
- It is naturally disinfecting
- It can clear nasal and chest congestion, ease symptoms, while moisturizing skin and nasal passageways.

#### As a Room Freshener and Disinfectant:

- Depending on your diffuser size use 3-5 drops per cup of distilled water.

If a person or canine needs respiratory or cough relief - the amount can be doubled.

As a Hand Sanitizer - Spray one spritz onto palm and rub. Also a great moisturizer for dry hands

#### To Relieve Nasal and Chest Congestion:

**People:** Spray on palms and cup hands to nose. And inhale deeply for 30 seconds. May be applied under nose for lasting nasal relief.

**Canine:** Spray on dry cloth or bandana and have the dog inhale.

**People and Canines:** Also, a great way to relieve Chest Congestion or Kennel cough, diffuse Cold & Flu Away in Your bathroom with a Steam Shower running.

**Immune Booster:** Place on hands rub to warm the oil and apply on the soles of your feet at night.

**SHAKE WELL BEFORE EACH USE**
