Aunt Lyn's Parasite Be Gone

An effective, yet gentle essential oil blend specifically formulated to help prevent and/or remedy harmful parasites that can silently grow in your dog and cause damage. These parasites can be picked up from standing water, lakes, ponds and/or places wild animals frequent. **Aunt Lyn's PARASITE BE GONE** can also prevent coccidia and giardia. **NOTE:** Use for 7 days as stated below if your dog has had parasite issues in the past or often swims in lakes, otherwise you can administer **Aunt Lyn's PARATISE BE GONE** for 3-5 consecutive days monthly.

To Maintain Optimum Health:

- Based on your dog's weight, give the dosage described below orally, with food, for 7 days straight, 1 week each month:

<u>DOG'S WEIGHT</u>	<u>DOSAGE</u>
<u>Pounds</u>	<u># of Drops</u>
5 - 10	1 drop
11 - 50	2 - 3 drops
51 - 100	3 - 6 drop

Tip:

- Try placing the drops on a small piece of bread, then fold over.

In Cases Where Parasites Are Suspected:

- Give the dosage directed above, daily for one month; then bring a stool sample to your veterinarian to be tested.
