Aunt Lyn's RELAX

Pure Spectrum Plant Based Oil - a proprietary blend of organic plant based oils - proven to help our bodies Endocannabinoid system, which is a network of neurotransmitter receptors that travel our central nervous system. In today's world, toxins, pollutants, poor diets or food laden with hormones or antibiotics, are just a few culprits that can deplete our central and peripheral nervous systems. This can cause pain - inflammation - slow healing from injury- irregular hormone balance – our sleep REM cycles to be out of sync, anxiety..... Aunt Lyn's RELAX- Pure Spectrum Plant Based Oil- uses a blend of endocannabinod and terrapins, naturally occurring in certain plants, to replenish and bolster our systems.

Adult Suggested Serving Size: Determined by weight and medicinal need.

- On average for minor issues: 150 lbs =1 full dropper - Place the Oil under the tongue hold for 30 seconds, then swallow.

Canine Suggested Serving Size: Determined by weight and medicinal need. On average for minor issues:

- 8 lbs - 1 drop
- 16 lbs = 2 drops
- 24 lbs = 4 drops
- 48 lbs = 6 drops
- 100 lbs = ½ a dropper (fill dropper to half way)

Place the oil Under Tongue or on a spoon most Canines will lick off. Try to serve without food so its absorbed in the oral membrane of the mouth.
