

ThermoFlask®

STRAW LID O-RING INSTALLATION INSTRUCTIONS

CONTENTS

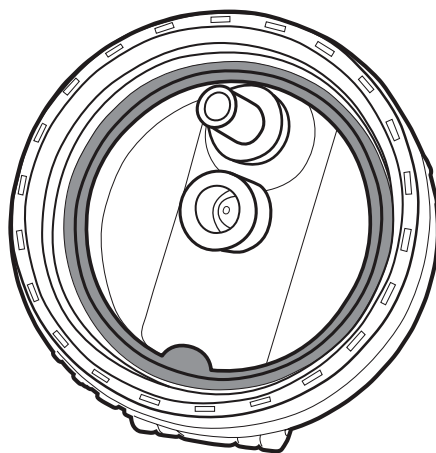

2 Straw Lid O-Rings

- 1 large O-Ring fits in the ThermoFlask Straw Lid
- Save the extra O-Ring for a backup

INSTALLATION

- 1 Pull out the straw from the bottom of lid and then remove existing O-Ring by gently pulling on the tab.
- 2 Place the new O-Ring, flat side down, into the open area.

Tip: Use the flat end of a toothpick and gently press the O-Ring into place.

O-Ring (Lid)
