QUALITY ASSURANCE

Every unit produced at Liberty Home Concealment is completely inspected by a quality

control team located within each plant whose emphasis is on assembly, finish and final inspections with empowerment to stop any unit not meeting Liberty Home Concealment's high-quality standards.

LIGHT & NATURAL FINISHES

The beauty of veneer and all wood products comes from the variations created by nature including color, grain, and texture. These variations are not considered defects and Liberty Home Concealment's Limited Lifetime Warranty does not cover color, grain and texture variations associated with natural wood and grain seen in any finish color. Liberty Home Concealment sets standards for veneer selections; however, variations, especially apparent in light/natural finishes, will occur from one piece to another even if they are finished at the same time.

Finishes such as light color stains or natural stains will display more natural characteristics due to their light stain. Grain, pattern and color from unit to unit are not guaranteed or warranted and products will not be replaced due to these variations. Exposure to light and age will cause darkening of natural wood products; therefore, Liberty Home Concealment cannot guarantee or warrant finish match of new products being placed with existing products in the field.

GENERAL

There are no other warranties except as expressly set forth above either expressed or implied. To obtain performance of these Limited Warranties, the purchaser should contact in writing the Liberty Home Concealment representatives.
