- To celebrate significant milestones or events
- For employees as incentives, recognitions and congratulations
- For customers as a thank you or keep sake
- As a handover gift for a new vehicle or home
- A welcome gift for a new job or rental property
- To apologise if something has not gone right
- For internal consumption and parties
- At external events and functions
- To raise company profile and awareness

Our Champagne Supplier

We focus on quality; of both our service and product. Since 1998 we have worked with the same family producer based in Epernay. They age their Non-Vintage for a minimum of 3 years (as opposed to the legal minimum of 15 months) and continue to win international awards as recognition for the quality of their champagne.

"I can't recommend Park Lane Champagne enough. We recently held an event and needed some excellent quality branded champagne for arrival. Thank you so much for the fast delivery."

In addition...

Personalised Sparkling Wine

We offer a range of truly fantastic English Sparkling wines from Ambriel, a family-run wine estate in the South Downs, founded by Wendy and Charles Outhwaite. Ambriel produce international award-winning sparkling wines made exclusively from grapes grown on the family vineyard and crafted in their our own winery. We also have a delicious Italian white personalised prosecco which is a fantastic bubbly and is presented in an unusual black glass bottle.

Hampers

Our superb hampers and gift boxes are packed full with quality champagne, wines and delicious goodies and more.

“Park Lane have really gone the extra mile with the hampers and so much thought has gone into the end product.”
