

## **Fish Tacos**

### **Ingredients:**

- fresh fish baked or fried. You may also use a frozen fish product . I used Mrs. Pauls fish fillets.
- coleslaw(homemade or store bought)
- stand and serve hard taco shells
- Koss Sauce

### **Directions:**

- Prepare fresh fish by baking or frying. If using frozen fish fillets, cook according to package directions.
- Warm taco shells slightly.
- Blot fish with a paper towel to remove any excess grease.
- Layer ingredients into shells.
- First layer fish, then coleslaw, followed by drizzling Koss sauce.
- \*\*\*you may layer in any order you prefer. You may also substitute lettuce and diced tomatoes for coleslaw.
-
