

Mrs. K's Bloody Mary

Ingredients:

2 ounces Vodka

1 cup Koss Sauce, chilled

1 tablespoon lemon juice

1 & 1/2 teaspoons lime juice

1/2 teaspoon worcestershire sauce

Garnishes: shrimp, peeled and cooked. celery rib, cucumber slice

Using water, moisten rim of glass and dip in salt. Fill a shaker 3/4 full with ice. Add remaining ice to glass. I prefer diced, smaller pieces of ice. Easier to use than cubes. Add vodka, worcestershire sauce, Koss Sauce and lemon and lime juices to shaker. Shake 15 seconds or until shaker gets frosty. Strain into prepared glass. Garnish and enjoy.
