DECAF

Water Process Decaf Coffee

Consumer friendly and planet-friendly water process uses no solvent chemicals. A rich delicious cup you will be amazed it's Decaf!

Just a Taste!

3oz Taster bags

A little coffee, a lot of choice! Our 3oz Taster bags are available in our most popular coffees. Ground, so they're ready to take on-the-go. Their size makes them perfect for souvenirs!

Deadman's Reach® Coffee

Our famous high-speed blend with notes of dark chocolate, hazelnuts, and a sweet bite. Full body with medium acidity.

Dark Roast.

Three Peckered Billy Goat® Coffee

Uncanny high notes of dark chocolate, nuts, and fruity sweetness. Heavy, full body with low-medium acidity.

Dark Roast.

Double Dead® Coffee

An extra caffeine charge with notes of dark, bittersweet chocolate and toasted nuts.

Heavy, full body with low-medium acidity.

Dark Roast.

Wicked Wolf® Coffee

An intense, vibrant, balanced brew with notes of dark berry, spice and chocolate toffee.

Heavy, full body with medium acidity.

Dark Roast.

Misty Fjords™ Coffee

A universal palate pleaser. Notes of lemon peel and citrus flowers with mild sweetness. Light, smooth body with high acidity. **Medium Roast.**

Polaris Perk™ Coffee

ALASKA ONLY

Generously layered with chocolate, deep berry and citrus with a touch of cedar notes. Medium body and prominent acidity. **Medium Roast.**
