

# RMS™ 8' Puffed Heart Instructions

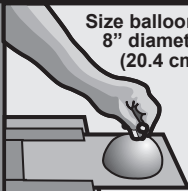

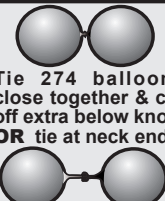

"Stretch Your Imagination"™

**ROUSE** Matrix Systems Instructions

<p><b>1</b></p> <p><b>PREPARE MATRIX</b></p>	<p>Unfold Matrix</p>  <p>Spray paint &amp; extra adhesive if desired.</p>	<p>Matrix has lite coat of adhesive.</p> <p>To color Matrix, spray paint on top of adhesive, let dry, then add final coat of adhesive (3-M #77 is suggested).</p>	<p>Stretch Matrix</p> 	<p>Stretch open both panels of the Heart in the same way; starting in the same place, pulling in the same direction, correcting any twist in the straps as you go.</p>
--	--	---	--	--

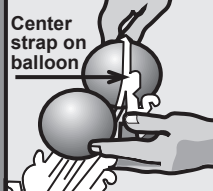

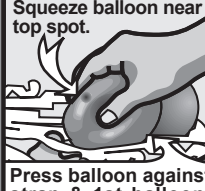

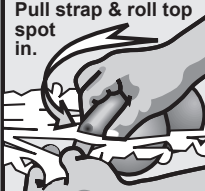

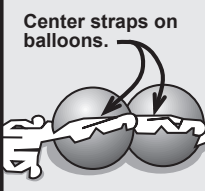

TIP: Many paints are brittle when dry and will crack off the Matrix when the plastic is bent. Test paint before use.

<p><b>2</b></p> <p><b>PREPARE BALLOONS</b></p>	<p>Inflate &amp; squeeze balloons</p> 	<p>Size balloons 8" diameter (20.4 cm.)</p> 	<p>Tie 50 balloons as singles with the knot near the lips of the balloon. These will be used to join the two halves of the heart and as replacements.</p> 	<p>Tie 274 balloons close together &amp; cut off extra below knots OR tie at neck ends.</p> 
--	---	---	---	---

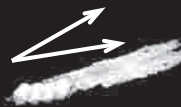

TIP: The best balloon inflation size can vary depending on softness and slickness of balloons. Test for best results.

<p><b>3</b></p> <p><b>LOAD BALLOONS</b></p>	<p>Load balloon pairs.</p> <p>Work on table or other flat surface.</p> <p>Start with opening at point of Heart.</p>	<p>The top spot of balloon goes on strap.</p> 	<p>Push balloon down against strap.</p>  <p>Pull with other hand.</p>	<p>Squeeze balloon near knot &amp; roll forward.</p> 
---	---	--	--	---

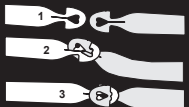

The large hollow space inside the RMS™ Puffed Heart can accommodate a low wattage electric light centered inside.

<p>Place knot against strap.</p> 	<p>Center strap on balloon</p> 	<p>Squeeze balloon near top spot.</p>  <p>Press balloon against strap &amp; 1st balloon.</p>	<p>Pull strap &amp; roll top spot in.</p> 	<p>Center straps on balloons.</p>

<p><b>4</b></p> <p><b>FILL PANELS</b></p>	<p>Fill Matrix from point at bottom of heart toward top.</p> 	<p>The heart panel will curve upward as you fill in the balloons.</p> 	<p>Repeat for second heart panel with same side turned up.</p> 	<p>Turn over panels &amp; "massage" balloons for smooth, regular finish.</p> 
---	--	---	--	--

Ask your distributor about other Rouse Products to make ballooning more fun, more effective, and more profitable.

<p><b>5</b></p> <p><b>CONNECT PANELS</b></p>	<p>Place one heart panel on the other, open side to open side.</p> <p>Simply insert one tab end through the heart shaped opening in a matching tab.</p> 	<p>Start at point of heart. Connect each set of tabs.</p> 	<p>Squeeze opposite edges of heart and insert single balloons, tail first, into openings.</p>
