WESTERN RIDING EQUIPMENT, SADDLES, SADDLERY HARDWARE, HOLSTERS, ETC.

DENVER, COLORADO 80202

To Our Friends:

It is with a great deal of pleasure that we present our new catalog, No. 178. We trust you will find it a valuable aid in selecting your riding supplies.

In preparing this catalog, we have attempted to illustrate every item carried in our large stock of Western riding equipment. Each item is clearly described by number, size and style to simplify selection. All prices are subject to change without notice.

We are proud of our established reputation for putting quality and service foremost. It has always been, and will continue to be our endeavor to offer the very best merchandise at a fair price. And "Servicing Our Customers Well" will always be our slogan here at the Colorado Saddlery.

You are cordially invited to visit our show room and factory when in Denver. We look forward to visiting with you and exchanging ideas. Your observations and suggestions and your valued friendship have gone a long way toward making us the nation's leading supplier of high quality saddles and riding goods.

Sincerely,

THE COLORADO SADDLERY COMPANY

"Equalized" Ride

Numerous features and innovations have been added to make this saddle unique. The equalized ride principle is based upon the theory that the rider achieves better balance when seated as far forward as possible. Seat has no build up in front. Stirrup leathers are set further ahead and many other special features are incorporated in the tree and rig to enable the rider to sit well forward.
