been specifically accepted by Stark Medical in writing; or

8 Consumer Warranties

8.1 Stark Medical warrants that its goods are free from defective materials and workmanship at the time of delivery in accordance with these terms and conditions.

8.2 Goods from Stark Medical come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

8.3 In the case of the supply of defective goods, Stark Medical shall rectify any such defects by either (at its sole discretion) repairing the goods at no cost to you, replacing the goods or defective part or parts of the goods or refunding the purchase price paid for the defective goods at any time during the warranty period specified by the manufacturer of the good in question, provided that:

- (a) the defects have arisen solely from faulty materials or workmanship by Stark Medical or the manufacturer of the goods; and
- (b) the goods have not received maltreatment, inattention or interference by you or a third party; and
- (c) accessories of any kind which are connected to the goods are manufactured by or approved by the manufacturer of the goods; and
- (d) you notify Stark Medical in writing within 7 days of becoming aware of the defect; and
- (e) you are able to demonstrate proof of purchase which includes the date of purchase, description of the goods paid for and the price paid for the goods; and
- (f) you do not attempt to repair the faulty goods or any part thereof; and
- (g) you immediately cease use of the defective good or part and do not attempt to reuse the defective good or part; and
- (h) you cooperate with the reasonable direction of Stark Medical to return the defective goods or parts promptly to Stark Medical.

8.4 To the extent that it is able to do so at law, Stark Medical specifically excludes the following from warranties set out in these terms and conditions or which are otherwise implied by law:

- (a) defective design of any goods supplied unless the design has been wholly prepared by Stark Medical and the responsibility for the design has

(b) appearance of the goods including damage to the exterior of the goods as a result of fair wear and tear, misuse, mistreatment, abnormal service or handling or as a result of modification or alteration; or

(c) damage to goods as a result of unauthorised modifications or connections, unauthorised repairs or use of unauthorised spare parts; or

(d) items considered to be consumables, perishables and wear items including, but not limited to filters, drive belts, gases, magnetrons, globes and batters; or

(e) periodic preventative maintenance tasks which are prescribed by the relevant manufacturer's instructions or which are otherwise standard practice for the type and nature of the goods.

8.5 In the case where Stark Medical provides services by attending your premises to install or repair goods, then Stark Medical shall warrant any defective workmanship by either (at its sole discretion) re-attending your premises to remedy the defect in workmanship or resupply the services or refund to you the moneys paid for the services. This warranty is for a period of three months from the date of the provision of the services and is limited to defective workmanship, which are attributable, in the opinion of Stark Medical, solely to the services provided by Stark Medical and not any defect in goods supplied (which are dealt with elsewhere in these terms and conditions). Stark Medical's warranty for its defective workmanship when attending your premises will be voided if the defect in workmanship is resultant from modification or repair by another party or neglect or abuse by you.

8.6 Except as provided in these conditions and to the extent that Stark Medical is able to do so at law, all express and implied warranties, guarantees and conditions under statute or general law as to merchantability, description, quality, suitability or fitness of the goods for any purpose or as to design, assembly, installation, materials or workmanship or otherwise are expressly excluded.

8.7 To the extent that any warranty is implied at law that can not be excluded, such warranties are limited to the warranty period as set out in these terms and conditions or otherwise provided by the manufacturer.

8.8 Any warranty provided by Stark Medical does not cover death or personal injury resultant from any cause other than negligence by Stark Medical, its employees or representatives.

9 Liability

9.1 Where the *Competition and Consumer Act 2010*, or any other legislation, implies warranties or conditions or impose obligations upon Stark Medical, to the extent to

which Stark Medical is entitled to limit its liability then its liability shall be limited to the following:

- (a) in the case of goods, any one or more of:
 - (i) the replacement of the goods or the supply of equivalent goods;
 - (ii) the repair of the goods;
 - (iii) the payment of the cost of replacing the goods or of acquiring equivalent goods; and
 - (iv) the payment of the cost of having the goods repaired; or
- (b) in the case of services:
 - (i) the supplying of the services again; or
 - (ii) the payment of the cost of having the services supplied again.

whichever is the lowest amount.

- 9.2 To the extent it is able to do at law and without unlawfully excluding or limiting the consumer guarantees provided to you by of Schedule 2 of the *Competition and Consumer Act 2010* (Cth), Stark Medical excludes all liability for commercial property damages or financial injury, loss or damage or for consequential loss or damage of any kind arising out of the supply, layout, assembly, installation or operation of the goods or arising out of Stark Medical's negligence or in any way.

10 Cancellation

Except where expressly provided for in these terms and conditions, no order may be cancelled by you except with the written consent of the Stark Medical. If there is a cancellation of the order by you, the Stark Medical has the right to claim indemnity against all losses suffered by the Stark Medical as a result of such cancellation.

11 Jurisdiction

These terms and conditions are governed by and construed in accordance with the laws of New South Wales. The parties submit to the non-exclusive jurisdiction of the courts and tribunals of the New South Wales and the Commonwealth of Australia.

12 Severance

A clause or part of a clause of these terms and conditions that is illegal or unenforceable may be severed from these terms and conditions and the remaining clauses or parts of the clause of these terms and conditions continue in force.
