3)	YOUR SIZE WILL SHOW AT THE WIDES POINT OF YOUR HAND	ST			0			
		xs		m	ι	xl	xxl	xxxl

The hand in this example is a size 09

FOR ACCURATE RESULTS, PLEASE PRINT A4 PORTRAIT, SCALING SET TO 'ACTUAL SIZE'

PLEASE NOTE This chart is strictly a guide only. Different materials and characteristics in different styles can alter the size needed, and different styles of glove can be expected to have varying sizing. For example, if ordering a fully dipped/coated glove it is advised to order the next size up as the glove is stiffer.
