SMALLS

FREEZE-DRIED RAW CHICKEN

(For all breeds and life stages)

RAISED WITHOUT ADDED
HORMONES OR ANTIBIOTICS

NO GRAINS
OR FILLERS

NO BY-
PRODUCTS

Ingredients:

Finely Ground Chicken With Bone
Chicken Heart
Chicken Liver
Chicken Gizzard
Chicken Egg
Goat's Milk
Water
Eggshell Membrane
Herring Oil
Mixed Tocopherols
D-Alpha Tocopherol

Whole Poultry, Bones, and Organs

At Smalls, we're committed to catering to cats' carnivorous needs. That's why we skip the filler and use real, free run chicken— whole meat, whole bones, and whole organs.

Freeze-Dried

We slowly freeze-dry our ingredients for 48 hours to lock in vital nutrients, without denaturing the protein cats need.

Benefits:

PROMOTES ORAL CARE

The freeze-dried texture naturally scrubbing your cat's teeth clean, supporting gum health and fresh breath

ENCOURAGES DIGESTION

The naturally occurring active ingredients in raw poultry maintains gut and digestive health.

SUPPORTS OVERALL HEALTH

A simple, high protein recipe that promotes strong bones, toned muscles, and shiny coats.

DAILY FEEDING GUIDELINE

4lb. cat.....	1/4 cup
6lb. cat.....	1/3 cup
8lb. cat.....	1/2 cup
10lb. cat.....	5/8 cup
12lb. cat.....	3/4 cup
14lb. cat.....	7/8 cup

Feed up to double the amount for kittens and pregnant or nursing cats. See personalized portioning guide for your cat's caloric needs.

Mix this into your kibble for an added protein boost or feed it as the whole meal and see the difference a species appropriate diet makes.

HANDLING

Though freeze-dried, this product contains raw ingredients. Out of caution for you, your cat, and your other family members (furry or not) it's important to handle Smalls Freeze-dried Raw Chicken safely.

After Use

Be sure to wash hands, utensils, counters, food dishes, and related areas thoroughly after each feeding.

Storage

Store freeze-dried products in a cool, dark place. Best if fed within 30 days after opening.

TRANSITION

Slowly add Smalls Freeze-Dried Raw Chicken to your cat's diet by mixing 25% of freeze-dried into 75% of their current food. Decrease the current food while increasing the freeze-dried raw portion daily until you can feed 100% Smalls Freeze-Dried Raw Chicken. Refer to the chart below:

Day 1-3.....	25%
Day 4-6.....	50%
Day 7-9.....	75%
Day 10.....	100%

NUTRITION

Smalls Freeze-Dried Raw Chicken is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for all life stages.

Calorie Content (calculated)

ME = 3,841 Kcal/kg
ME = 113 Kcal/oz

Guaranteed Analysis

Crude Protein (min).....	45.0%
Crude Fat (min).....	15.0%
Crude Fiber (max).....	3.0%
Moisture (max).....	8.0%

Net Wt. 3 oz. (85 g.)
