HUNDREDS OF COLOR COMBINATIONS

Choose from an assortment of stock colors available in a variety of fabrics to come up with your ideal color combination. The corresponding image shows a sampling of the most commonly selected colors. If the color you are interested in is not available, we can certainly

match a specific PMS color (please note that for a custom color a min order of 1000 units is required). At this time, fabric option is limited to 100% polyester fabrics of varying knits. The fabrics in our collection are all snag resistant with moisture wicking properties.

VERSATILE DECORATION SERVICES

We offer a variety of decorating services and locations for your custom polo. The most popular option for decorating our polo shirts is with embroidery. However, we can also screen print, spot sublimate or apply a heat transfer to the garment. In addition, you may select from a wide range of decoration locations for your garment with the most common locations being left chest, sleeve and/or back neck. Let us work with you to develop your artwork, recommend the best decoration option and ideal location to maximize your client's brand.
