Each fixture requires specific codes to complete the order, as follows:

Model # (Letter - XXX) - Mounting Version + Size - Power Source - Finish - Glass type - Gas Type (if applicable):

* Example: D-003-012-EG-F3-G1-P *

Amsterdam - Wall Mount - Medium - Gas with Electronic Ignition - Antique Bronze Finish - Flemish Glass - Propane Gas Preparation

This 1 digit is to follow mounting option to designate size

Please see the example fixture number above:

After selecting your fixture number from the drawings, you must classify:

- 1.) EL, MG, or EG (Electric, Manual Gas or Electronic Gas)
- 2.) F1-F7 (Finish Selection)
- 3.) G1-G5 (Glass Type)
- 4.) N or P (Gas Type)

* Consult Solara or rep for Custom Orders
