## TOOL LANYARD WITH SPRING LOCK CARABINER

### PRODUCT FEATURES

A simple safety tether to prevent any dropped equipment, and greatly reduce accidents which ultimately ensures proper fall-proof capabilities on construction sites, roofing, tower climbing, scaffolding or anywhere which needs up to 9kg in weight secured to an anchor.

- **ALWAYS POSITIONED CORRECTLY:** Single direction carabiner ensures that the lanyard does not twist and tangle when in use
- **REINFORCED STITCHING:** Double locked pattern stitching at either end of the lanyard to maximum security
- **STRENGTHENED ELASTIC WEB:** Coated nylon webbing is tough but flexible reducing stretch resistance
- **TOUGH COATED ALUMINIUM:** Reinforced Aluminium Carabiner frame to sustain strength during lifespan
