

BTESK20L

BEARTOOLS ECO UNIVERSAL SPILL KIT - 20L

PRODUCT FEATURES

An environmentally conscious solution: crafted with 85% natural recycled cotton fibers. An ecologically responsible approach without compromising efficiency.

- **Convenient & Portable** - The kit includes all necessary supplies and accessories, allowing you to swiftly address any liquid spills. Housed in a compact portable bag, it remains readily accessible during emergencies.
- **Complete | Spill Socks are Included** - Our Eco Spill Kits come equipped with spill socks, essential for surrounding a spill to prevent further liquid spread; they promptly absorb on contact.
- **High Absorbency** - Thanks to the use of eco conscious materials, our Spill Pads boast superior liquid absorbency and retention compared to conventional polypropylene pads.
- **Wide Range of Applications** - Extremely versatile, these Eco Spill kits suit various industries. Its exceptional liquid retention performance makes it ideal for handling non-aggressive oil, solvents, coolants, fuels, acids, and other common liquids.
