LADDER INSPECTION RECORD KIT

PRODUCT FEATURES

- **VISIBLE AND CLEAR:** bold colours allows the records to be well spotted within the construction site. Ladder inspection tags identify the ladder type ID number and risk assessment period.
- **EASY DESIGN & LAYOUT:** With these ladder safety maintenance tags you can clearly record the unique ladder reference number risk assessment period and ladder inspection dates.
- **2-SIDED:** On the other side of the insert you can note pre-use and in-use checks for reference. These ladder inspection inserts have enough space to write down all the important details.
- **ROBUST:** the ladder tags are durable high quality & weatherproof. Displaying the most up to date information - so is super convenient for quick-reference. These tags can be used indoors and outdoors.
- **COMES WITH A HOLDER:** which attaches to the ladder permanently in which the inserts pop in and out easily and quickly.
- This inspection tag for ladders communicate the following:
 - Up to 12 planned ladder inspections
 - Inspector Signatures
 - Unique Ladder Reference Number
 - Ladder Purpose and Use
 - Ladder inspection checklist
 - Ladder Inspection Trail

*BearTOOLS replacement ladder safety inspection tags or inserts can only be used with BearTOOLS holders. The permanent marker that comes with the tag may vary to the one displayed in the images shown.
