
$\%$

Collect all cards for the complete card game Color, Cut, and Play!

## GAME INSTRUCTIONS

Players: 2-4
Object: To obtain the most complete sets of Purim cards.

## How to play:

Mix cards and deal 4 cards to each player.
Place the remaining pile of cards, face down, on the table.

Each player, in turn, tries to complete a set by calling a Purim item that he would like to get.
Note: The player must have at least one card from the item that he calls out.

If the next player has a card from that set, the player can then specify which type he wants. If the opponent has the card, he hands it over to the player. The player can then ask for another type card.

The player's turn ends either if the opponent doesn't have the requested card, or once he obtains a complete set. He then draws a card from the pile.

The game ends when all sets have been completed.
The winner: The player with the most sets of Purim.

Have fun!
