Downlight

- Enjoy ambient lighting** in your space thanks to the Ambience's built-in uplight (supports dimming), helping to create a relaxing atmosphere in your bedroom or living areas.
- Moulded aerodynamic blades** are crafted from polymer (a high-grade plastic) which are durable, easy to clean as well as being safer and quieter than metal blades.
- Energy-efficient & dimmable optional 17W LED Downlight** is available with colour changing technology (CCT) so you can choose between Warm, Cool and Daylight temperatures.
- Highly efficient cooling** made possible by the energy-efficient DC motor, using only 35W on high and as little as 6W on low so you stay cool for less.
- Enjoy whisper-quiet cooling** thanks to the combination of a silent DC motor and premium polymer blades, so you stay cool with less wind and fan noise.
- Perfect for standard bedrooms and living areas** so you can maintain a consistent decor style throughout your home.

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	185 / 145 / 91 RPM
Energy usage (H:6/M:4/L:1) (Watts)	35 W / 19 W / 6 W
Airflow volume (H:6/M:4/L:1) (Cubic metres per hour)	12,262 / 9,864 / 5,302 CMH
Efficiency (H:6/M:4/L:1) (CMH / W)	350 / 519 / 884 CMH / W

The Ambience DC ceiling fan includes a stylish 6 speed remote control as standard.

- Enjoy 6 speed settings for your ceiling fan.
- Uplight control including dimming support.
- Downlight control including dimming support.
- Forward and reverse function for year-round comfort.
- Fan off timers for set and forget convenience.

Smart Ceiling Fans

Transform your ceiling fan into a Smart Ceiling Fan with the Bond Bridge and control your ceiling fan and light through Google, Apple and Alexa Voice Assistants, and from your smart devices.

SKU: BD-1000

Accessories

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.
