AT5107/6/BLK/DL	Black
AT5107/6/BLK/WW	Black
AT5107/10/BLK/DL	Black
AT5107/10/BLK/WW	Black

IMPORTANT INFORMATION

Luminaires must be installed and fitted by a qualified electrician ensuring the installation complies to the current wiring regulations.

During use, the light will become **EXTREMELY HOT**.

DO NOT MOUNT IN A POSITION WHERE THE FITTING CAN BE EASILY ACCESSED BY CHILDREN OR THE INFIRM.

Never attempt to touch the light.

Always allow the fitting and globe to cool to ambient temperature before carrying out any maintenance.

Always switch off the mains supply before installation or servicing.

Installation

This unit is suitable for connection to a 12V-power supply.

NEVER CONNECT DIRECTLY TO MAINS POWER WITHOUT THE USE OF A TRANSFORMER.

Read instructions and check you have all the tools and accessories to complete the installation correctly. Wiring of a 12V transformer directly to 240V mains **MUST be carried out by a licensed electrical contractor.**

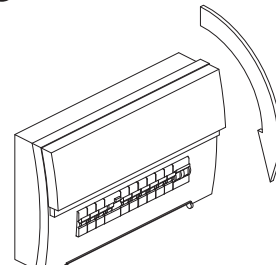

Isolate the mains power supply before commencing installation.

Insert LED Spike light to the ground in desired location.

Terminate the loose ends of the 2-core cable to an appropriate IP rated junction box or similar, ensuring that the Live & Neutral polarities are observed.

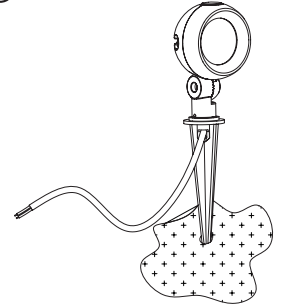

Restore the mains power supply, switch on and test for correct operation.

①

Isolate mains power

②

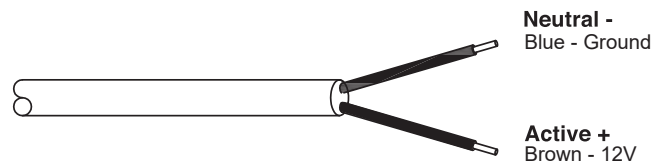

Insert LED Spike light to the ground in desired location

Terminate loose ends of the 2-core cable to appropriate IP Rated junction box. Ensure Live and Neutral polarities are observed

④

Restore the mains power

Warranty

Atom products are distributed in Australia by Evolt Pty Limited ('us', 'our', or 'we'). Our contact information is set out at the bottom of this page.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

In addition to your guarantees under the Australian Consumer Law, our goods also come with a contractual warranty, which is described below. This warranty is additional to your rights under the Australian Consumer Law (and any other rights or remedies you may have under a law in relation to the products), and is not intended to modify or exclude those rights.

Subject to the terms of this contractual warranty, if your Atom products are defective, we will (at our election) repair or replace the Atom products. Once we make this election (and take the relevant action), we will have honoured our obligations under this contractual warranty.

Our total liability under this warranty is limited to the cost of repair or replacement of the defective product (at our election). We otherwise exclude all liability in relation to the product to the fullest extent permitted by law (noting our comments above regarding the Australian Consumer Law and any other rights or remedies you may have).

If you wish to claim under this warranty, you must, at your own expense, return the product or that part of the product which you believe is defective, together with proof of original purchase, your name, address and telephone number and a certificate of installation (or other document required by the law for the installation of electrical products in the place in which the product was installed) to Evolt at the address set out at the bottom of this page within the warranty period. You bear all costs associated with claiming under this warranty (including, but not limited to, postage costs). Without limiting the preceding sentence, this warranty does not apply to the costs of the removal or re-installation of the defective product.

The warranty period for this product is two years from the date of purchase. This warranty is not transferable and is only given to the original purchaser of the product, provided the purchaser has purchased the product from us. Proof of purchase must be provided to us with any warranty claim. We recommend that you attach your proof of purchase to your product manual.

This warranty does not apply to consumable items within your product (including, but not limited to, lamps or batteries). This warranty does not apply to products that have been improperly stored, installed, or used. This warranty does not apply to products that have not been maintained in accordance with the instructions contained within this product manual.

This warranty does not apply to loss or damage caused by wear and tear, misuse, incorrect installation or operation, failure to clean and maintain, incorrect voltage or non-authorized electrical connections, adverse external conditions (such as power surges and dips, acts of God, exposure to heat, corrosion, insect or vermin infestation), use of non-authorized or defective parts or globes, or to items that have been repaired by a person other than us or a repairer approved by us.

Atom is a registered brand of Evolt Pty Limited

IMPORTANT: THIS PRODUCT MUST BE INSTALLED BY A LICENSED ELECTRICIAN

Due to changes in industry standards and Evolt's policy of continual product development, product specifications are subject to change without notice.
