

Gear-350 LED Ceiling Light

Description

The GEAR-350 is a Surface mounted LED ceiling light which features a reduced glare circular cell trim that creates a uniquely designed lighting effect. Modern appearance to appeal to most room designs. Providing an 80° beam of uniform light-output through the use of high intensity SMDs (Surface Mounted Diodes). Constructed from polycarbonate and is rated at IP54, making it ideal for almost any room of the home. Tricolour switchable: choose between Warm White 3000K, Neutral White 4000K, or White 5700K colour temperatures with the flick of a dip switch. Complete with Flicker Free Driver to avoid light flickering in videos. Fully dimmable with suitable dimmers. Backed by our 3 Year Replacement Warranty.
