

Aqua 10

Fixed LED Downlight

Description

The AQUA Series is a well-designed IP65 downlight range that offers a robust solution to wet areas and outdoor applications through enhanced silicon sealing and moisture protection methods. Features include fixed deep set frame and optic lens diffuser with the choice of a Black or Satin White powder coated finish. Light is provided from a single point COB high performing LED with a perfectly matched 36° or 60° optical reflector. Suitable for bathrooms, or outdoor areas where moisture is a concern. Complete with a fully dimmable LED driver and flex and plug. Backed by our Three Year Replacement Warranty.
