orb shade medium marshmallow

DESCRIPTION

Our Nendo orb shade marshmallow lamp is a contemporary and minimalist lighting fixture designed by Japanese design studio Nendo. The lamp features a round, globe-shaped shade.

The lamp measures approximately 80 (large) and 50 (medium) centimeters in diameter and 60 (large) and 40 (medium) centimeters in height, making it a substantial yet understated piece that could fit in with a variety of different decor styles. The shade is designed to diffuse light evenly and softly, creating a warm and inviting glow. Overall, the Nendo Orb Shade Marshmallow lamp is a beautiful and functional lighting option that would make a stylish addition to any room.

100% linen, off white, hand frayed edges
The lamp comes flat packed and does not come with cable or suspension kit, there is a wire fitting that holds the cord in the top of the shade
