NOOSA

wall lamp in antique brass

DESCRIPTION

Our Noosa wall light is IP-rated 54 outdoor wall sconce with clear glass and brass metal cage, which suitable for indoor and outdoor use. This lantern style wall lamp is used mainly for outdoor garden lamp, patios and entryways. With sleek appearance, it can also be used in bathroom as side mirror lights to match any industrial, rustic or loft-style décor. Its caged enclosure houses a standard bulb or an antique-style filament that mimics the glow of a warmly lit station.

Please note that most glass components are handmade and therefore small air bubbles, slight defects and colour variations may naturally occur during the glassblowing process.
