

LED Globes

BOSS GU10 3000K

The Boss GU10 LED globe is suitable for most general purpose lighting environments and replaces existing 50W halogen globes in down light frames. Replacing the globes is easy, as it only requires swapping out existing globes as you would with a standard halogen. The COB LED design makes the GU10 look identical to 50W halogen globes, seamlessly integrating throughout your household. The Boss GU10 is also a replacement globe for the Profile Plus series of bathroom heaters as well as the Linear bathroom heater range.

FEATURES

- /// 3 year replacement warranty
- /// Advanced heat sink diffusion
- /// Advanced optic lens technology
- /// Non dimmable and dimmable available
- /// Long life energy saving LED technology
- /// Replace existing halogen dichroic lamps
- /// Suitable for use on most popular electronic transformers
- /// No expensive rewiring required
- /// Save 80% more on your electrical bill compared to 50W Halogen globes
- /// Replaceable globe for Martec 3-in-1 Bathroom Heaters: Linear and Profile Plus Series

TECHNICAL INFORMATION

Power: 9W
CCT: 3000K (Warm White)
Lumens: 630 lm
Beam Angle: 60°
Size (mm): 50 x 97
CRI: ≥85
