

Taipan LED

Taipan Glue Back 3000K

Martec's Taipan Glue Back allows for simple lighting solutions in both indoor and outdoor environments. Fit a Martec Taipan under cupboards in a kitchen to instantly provide light to your counter-tops or perhaps attach the Martec Taipan to a patio overhang to add dynamic, ambient lighting. The Martec Taipan is an easy to use, do-it-yourself installation which can be cut down to your custom length and still function perfectly!

FEATURES

- /// 3 year replacement warranty
- /// 14.4W per 1m length
- /// IP54 Rated for outdoor use (driver is not IP rated)
- /// Do-it-yourself install & easy to cut to size
- /// Easy to mount in Martec aluminium extrusion kits
