CAGE.18

SKU:OL2299/18BK

18cm Metal Wire Industrial Style Shade

Description

The ideal companion for those wanting the Industrial look, the nifty little CAGE accessory can be used alone on our ALBANY suspension range (available separately) or combined with one of our Industrial shades. Either way, it looks best with a exposed filament lamp. The CAGE.18 has an opening of 115mm so will accommodate a greater selection of lamps - try the A-CAR-A19 in the E27.
