Trend Lighting Co. Pty Ltd

APPROVALS

The RCM marking of this product applies to AS/NZS 4417.1 “the Regulatory Compliance Mark (RCM), on electrical and electronic products to indicate compliance with regulations applicable to aspects of the product as covered in other parts of this Standard.”

This product is designed to conform to AS/NZS60598
“Luminaires, general requirements and tests”.

Installation Notes

MANUFACTURER'S RECCOMENDATION:

- No Barrier Required
- Observe Ceiling Clearances

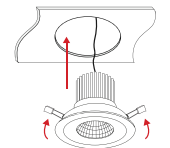

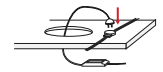

Do not cover luminaire or driver with thermally insulating material. You can safely abut timber rafters to simplify layout but a 50mm minimum clearance from combustible materials is recommended around the light fitting.

A: 50mm
(Luminaire – Ceiling)
B: 50mm
(Luminaire – Insulation)

Instructions

- 1- To be installed and completed by a licensed Electrician.
- 2- Disconnect the circuit before installation.
- 3- Mark at correct location. Drill a hole in the Ceiling in accordance with fitting's cut-out size.
- 4- Lift the springs upward to ensure the fitting can be installed into the mounting hole.

LIMITED WARRANTY

Trend Lighting is pleased to provide the following limited warranty for 5 years from date of supply.

The above mentioned Trend lighting fitting is warranted to be free from defects in material and workmanship for the warranty period. If any product becomes defective Trend Lighting shall have no responsibility for any labour charges relating to the installation and reinstallation of any products.

INCLUSIONS AND LIMITATIONS

Any products found to be defective within the warranty period set out above will be repaired or replaced, at the option of Trend Lighting without charge, provided that

1. Proof of Purchase with proof of purchase date is supplied.
2. Evidence of installation by a qualified electrician is supplied.
3. The product was purchased from Trend Lighting or an authorized distributor of Trend Lighting.
4. The product was not operating under abnormal, excessive or unusual operating conditions.
5. The product was not misused, damaged or subject to negligent use.
6. The product was not repaired, altered, tampered with or modified by any person without the written consent from Trend Lighting.
7. The product failure is a result of a defect in material or workmanship and was not the result of damage due to use other than intended use.

If a product does not comply with the above provisions, all forgoing warranties applicable thereto shall lapse and become null and void. Any parts replaced during the warranty period will become property of Trend Lighting.

All warranty service will not extend beyond the stated warranty period and any repair service or parts replacement will be chargeable after the warranty period is expired.

This limited warranty is provided only to the first purchaser and is not transferrable.

IMPLIED WARRANTIES: CONSEQUENTIAL DAMAGES EXCLUDED

Trend Lighting shall not be responsible for, nor does this warranty extend to consequential damage or incidental damage or expenses, relating to the product sold, including, without limitation, injury to persons or property or loss of use.

There are no other warranties expressed or implied other than those expressed herein. Further, there are no implied warranties, including the warranty of merchantability or fitness for a particular purpose beyond the warranty period specifically set forth above.
