for Australian Applications

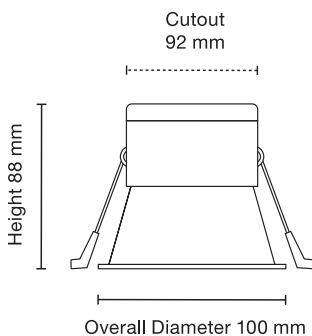

3 Year Warranty

## Description

7W recessed COB LED downlight with thin trim profile and deep conical housing. Reduces fatigue associated with direct light sources. Manufactured with an aluminum body finished with corrosion resistant powder coating. Suitable replacement for existing low voltage MR16 downlights. High lumen output of 802 lm and a high CRI of 90+, with a wide collimating lens providing a 60° beam angle. Supplied with remote flicker free Leading & Trailing Edge dimmable driver.

## Dimensions

## Specifications
