# LEMOYNE STAR

This classic quilt block pattern is just a handy reference guide in case you wanted to make your own “matching” Personality Quiz Quilt Block (of course, I won’t tell if it’s not actually your “match!”).

## NOTES

- Skill Level** Beginner
- Finished Size** 12 x 12”
- Seam Allowance** All cutting instructions have a ¼” seam allowance factored in
- Yardage/WOF** Width of fabric (WOF) is assumed to be 42”
- HST Method** Yardage is calculated based on making 4 half square triangles (HST) at a time; instructions for how to do so are on page 2

**REFINED, SOPHISTICATED  
TIMELESS, & THOUGHTFUL**

## BASIC REQUIREMENTS

	Fabric Requirements	Cutting Requirements
 <b>Fabric A</b>	Fat Eighth	6 x 6” (2)
 <b>Fabric B</b>	Fat Eighth	6 x 6” (2)
 <b>Fabric C</b>	Fat Eighth	3½ x 3½” (4) 6 x 6” (2)

# BLOCK ASSEMBLY

## HIT THE ACCELERATOR

Never made four HSTs at a time? Don't worry, it's easy! Instead of cutting out individual triangles (groan!), or sewing  $\frac{1}{4}$ " seams down either side of a diagonal (smaller groan), all you need to do is sew two squares of fabric (right sides together) with a  $\frac{1}{4}$ " seam around the border. Then cut corner to corner (see illustration to the right). And presto: 4 HSTs!

**Sew one 6" square sandwich of Fabric A and Fabric B, one of Fabric B and Fabric C, and one of Fabric A and Fabric C to make the 12 HSTs needed. Cut corner to corner, press, and then trim HSTs to  $3\frac{1}{2}$ ".**

**!** WATCH OUT: this method creates bias edges, but all this means is that when pressing your seams, truly press, don't iron back and forth (this will minimize the pulling of the fabric + keep the HSTs from becoming wonky).

## ASSEMBLY LINE

Assemble the rows (#1), before assembling the top and bottom half (#2). Then assemble the block (#3).

## GET SOCIAL!

I love to see your work! Make sure to post your finished quilt block to Instagram and tag it with # WhichQuiltBlockAreYou and @broadclothstudio (because I don't want to miss it!)
