

TOOL STORAGE SUPPLEMENT 2020

HD SERIES TOOL STORAGE

- Double wall 18 gauge steel construction with 14 gauge reinforced bottom channels withstands the heaviest loads
- Riveted aluminum mouldings protect box corners from impact and increase rigidity and strength
- Extra generous 21-1/2" depth provides increased storage capacity (24" on 72" cabinet)
- 120 lb capacity ball bearing slides on all drawers for smooth, easy operation even when heavily loaded
- Select drawers with 2 sets of slides to accommodate heavier loads – up to 240 lb
- Extra full width drawers provide increased capacity for large tools
- Soft-Close drawer slides prevent slamming the drawers closed, keeping tools organized and ensuring drawers are completely closed before locking or moving tool box
- Extruded aluminum drawer pulls ensure positive grip when opening heavily loaded drawers
- Extra large diameter tubular side handle can be mounted on either side of roller cabinet
- Recessed side handles on top chests for a clean, professional look **(A)**
- Gas shocks support chest lids **(B)**
- Heavy duty automotive style casters with pedal brake **(C)**
- Lowered till height allows easy access to tools in top chests
- USB-powered LED lighting in 41" and 52" top chests
- Power supply management includes 4 AC and 2 USB outlets with switch on all roller cabinets and top chests (6 outlets on 72" cabinet) **(D)**
- Two additional pass-through grommets on top chests allow for secure overnight charging of power tools
- Roller cabinets include wood work tops from a renewable resource (41" and larger only) **(D)**
- Chest and cabinet can be fastened together for added security when moving
- Durable oven baked wrinkle finish resist fingerprints and most shop chemicals

JOBBSITE TOOL STORAGE BOXES

- Super Heavy Duty 16 gauge steel body and lid for maximum security
- Dual recessed lock housings prevent use of bolt cutters or blades to cut locks (842481)
- Staked and welded piano hinge prevents hinge pin from being driven out
- Cord pass-through with rubber grommet allows secure overnight charging of power tools
- Overlapping lid prevents leaks and features full width reinforcing bolster for added strength
- Finger groove in lid for easy opening even with gloves
- Heavy duty gas shocks keep lid open
- 12 gauge 4-way skids allow forklift access from front, back, and both sides for increased transportation options
- Skids are predrilled to accept optional 6" x 2" heavy duty casters
- High visibility orange powder coat for superior corrosion resistance
