## Creative Workshops

### **Atmospheric Landscapes Oil and Cold Wax Painting Workshop**

In this 1-day course we will be working with oil paints and a medium called cold wax to create paintings with depth and atmosphere. Paula will share with you her techniques for creating atmospheric landscapes and dramatic skies with transparent colours and blending techniques using squeegees, palette knives and brushes.

The workshop will include information about techniques, as well as demonstrations and plenty of time for practice. You will be amazed by what you can create in just one day!

#### **What will be covered?**

Introduction to using cold wax medium with oils

Introduction to the tools

Working wet-on-wet

Using transparent and opaque colours to create depth and atmosphere.

Incorporating pigments into your work

Blending techniques

#### **Do I have the experience?**

Whether you are a professional artist or haven't picked up a paint brush since school, absolutely no experience of painting or of working in oils needed. Just come prepared to have fun and to experiment.

#### **What shall I bring with me?**

All materials and use of tools are covered in the price of the workshop. Please bring your own apron or shirt that you don't mind getting splashed with paint.

## Creative Workshops

### I'm hooked...what other workshops can I do?

Why not join the 1-day Exploring oil and cold wax workshop and experiment with techniques for building rich layers of texture, patterns, marks, and colour to form rich, complex foundations to your paintings. We will focus on mark making with drawing materials and explore different ways to create textures, patterns and lines using a variety of tools and solvent reduction techniques.

### Further information:

This workshop is designed for all levels of experience, suitable for ages 18+.

Participants are encouraged to arrive around 10-15 minutes ahead of their workshop.

There is parking on site and we have 2 free overflow car parks on Bermondsey Street and opposite at The Holy Biscuit.
