| <p>Q1: This is a fun counting book to read and sing! On the cover is a hopscotch grid with numbers. Can you think of other ways kids use numbers when they play?</p> <p>A1: Possible answers: Kids count when they play Hide and Seek. Kids count when jumping rope. Kids count when they play board games like Candyland and Snakes and Ladders.</p> <p>Q2: Can you skip count by twos to the number 10?</p> <p>A2: Yes, I can! 2, 4, 6, 8, 10!</p> | <p>Q1: What other ways of skip counting can we find in the book?</p> <p>A1: There is skip counting by fives and tens.</p> <p>Q2: What things in the book are we counting by twos, fives, and tens?</p> <p>A2: We are counting by twos using little animals. We are counting by fives using space aliens. We are counting by tens using little cars.</p> | <p>Q1: Using page 8, let's point and count by ones to 100.</p> <p>A1: OK! 1, 2, 3, 4, 5, ... 100!</p> <p>Q2: Let's sing a verse to the song about counting by ones.</p> <p>A2: <i>Let's count, let's count, count by ones. Let's count, let's count, count by ones. Let's count, let's count, count by ones. We can count to ____!</i></p> |

The Skip Count Song

Make a Strip Book

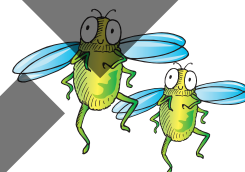

- ✿ Write your name on the first page.
- ✿ Cut along the solid lines and staple.
- ✿ Read your book.

Skip Counting Fun

by _____

1

Look at the shoes.

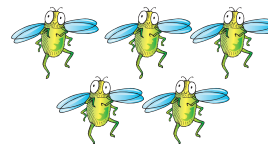

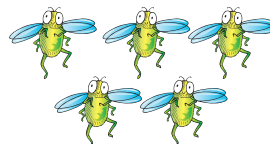

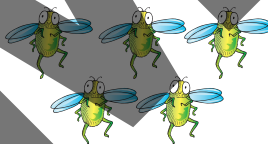

Count them by twos.

2

Look at the flies.

Count them by fives.

3

Look at the pens.

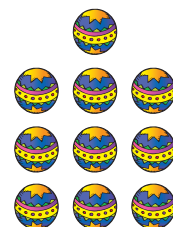

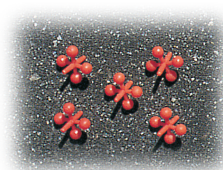

Count them by tens.

4

Look all around.

For fun things to count!
