Color in a square for each activity completed.

Why Kindergarten Reading?

his book provides practice in basic Kindergarten reading skills.

Although some activities seem simplistic, their mastery is essential for early readers. In addition, the tasks are designed to strengthen your child's ability to problem-solve, think critically, and become familiar with early academic language.

SKILLS

- Letter recognition
- Phonemic awareness
- Phonics
- Letter/sound knowledge
- Rhyming
- Color words
- Opposites
- Word families

HOW YOU CAN HELP SUPPORT LEARNING

- Work with your child in a quiet, calm setting.
- Complete some activities together.
- When reading a book, point word by word at the text as you read.
 This will help your child learn that reading goes from left to right and understand that the word he or she sees is the word he or she says.
- Read stories with rhyming words and lines that repeat. Invite your child to join in on these parts.
- Read from a variety of children's books, including fairy tales, song books, poems, and information books.
