Bar, Collars and Weights sold separately

SOFB250 Flat Bench

The full-commercial Pro Clubline SOFB250 Flat Bench is designed to meet any facility's requirements. It's 2"x3" heavy-duty 11-gauge steel mainframe construction with solid lift-offs and durable double-stitched upholstery will stand up to the heaviest weights. The integrated spotter platform ensures maximum safety during heavy lifts. The composite lining on the bar catches protects your bar and your bench. Premium commercial components ensure dependability and reliability even in heavy use, high-traffic gyms and clubs.
