

G277 45° LEG PRESS

SIGNATURE SERIES 45° LEG PRESS

G277 45° LEG PRESS

BodyKore's 45 Degree Leg Press is the ultimate training equipment for building massive strength and bulk in your lower torso. The heavy duty frame and linear bearing system allows a max load of 900lbs and the 2 point safety spotters provide you with the safety in locking in the weights in the case of overbearing. The 3 position backrest allows users of all different shapes and sizes.
